Get a sneak-peek into ProviderOne

ProviderOne, the electronic, online billing method coming in late 2014, is just around the corner. To prepare providers, we put together a series of videos that introduce you to the new billing and claims management system.

The videos are introductions, and five-minutes long each. Training opportunities in ProviderOne will happen in the Fall. Below are hyperlinks to all four videos.

A note: Videos take a moment to load. You'll first see a blank screen, then video content.

[No. 1 Get Ready](#) is an overview of ProviderOne. Learn the steps to take to prepare now.

[No. 2 Get an Early Look](#) shows the many online screens you will use to submit claims.
